- Take-home lessons, resources, innovative ideas
- In-service points available
- All workshops are FREE and most include a \$50 stipend!

### Coming Soon!

Keep your eyes open for a variety of professional education opportunities this summer including:

- SEAS Secondary Teacher Workshops
- Climate Change in the Classroom teacher workshops

And....

- 1 Week Summer SEAS Workshop

- When committing to a workshop, please be aware that there is a waiting list of others who would like to join us for the event.
- Due to grant obligations, we must fill our workshops and “no shows” severely affect our potential future funding options. Please be sure to mark your calendars to join us for a great day!
