

# Homeschool Registration Form

- If the minimum number of participants for a program is not met, it may be cancelled one week in advance.
- Program fees include admission to the Aquarium for the student & one adult on the day of the program.
- Additional non-member family guests (age 3 & up) may be admitted to the Aquarium at a special reduced admission rate of \$10.00 each on the day of the program.
- We ask that accompanying older/younger siblings enjoy the Aquarium's exhibits with an adult during the program. The homeschool programs are designed for specific age groups & may be too basic or advanced to hold the attention of accompanying siblings.
- Payment: You may pay by credit card or check.
