About Our Homeschool Programs

Programs feature exciting activities full of tactile experiences!

All classes are taught by our expert staff of full-time informal science instructors!

Class size limited to 10 to encourage student-parent, student-teacher & student-student interactions. Classes include live animal encounters, story time & more! Class outlines provided for each class; great for portfolios!

Program Fees

Members- \$8 per student

Non-Members- \$16 per student
(includes admission for the day)

Ocean Wonders

October 20th

12:45-1:30PM or 2:45-3:30PM

From the smallest creatures to the largest fish in the sea, from the weird to the fascinating, come discover the wonders the oceans hold.
